Rand McNally and Company : Rand McNally Harley Davidson Ride Atlas of North America (The Anniversary Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Rand McNally Harley Davidson Ride Atlas of North America (The Anniversary Edition):

1 of 1 people found the following review helpful. Great Maps BookBy LadyhawkIf you are taking a trip, even if you're not a Harley fellow, this book is for you. Great maps in a spiral bound approach which suits a motorcyclist. Fits nicely in my luggage and will accompany me. Only negative is they split some states up into parts which makes it a bit harder to get the whole picture. You'll still need a state map if you're directionally deficient like myself. Otherwise lots of good info on helmet laws etc. Yes, you can get this same info online, but I prefer to have the security of a paper copy in hand, esp. when traveling where wi-fi is non-existent or hard to find.5 of 5 people found the following review helpful. Excellent Sight Seeing ToolBy Michael L. HanlenThis book is an excellent guide for the motorcycle rider or automobile vacationer who desires to see the beauty that this Country has to offer. The maps and travel information make traveling in nearly every state almost effortless. I have traveled some of the suggested rides, prior to getting the

book, and their descriptions are right on. I only wish I had the guide before I had visited the areas, and intend to use it for future rides to ease the trip. 2 of 2 people found the following review helpful. Wonderful atlas!!! By Dodi EllisWow, I'm so glad I got this atlas. It helps me plan trips along with my GPS, looking for good, scenic routes. Good quality, easy to use (spiral bind). Comes with the map. Although I don't own a Harley but a Yamaha, I have no use of the map but the book is excellent for any riders or even road trip vacationers. And at a price hard to beat!

Spiral bound softcover with magnetic front closure. Includes US, Mexico and Canada. This is the Harley Davidson 105 Year Anniversary Edition of the Ride Atlas. Includes Bonus 105th Wall Map.
