No Substitute for a good road mapBy Nelli BIt is up to date and we will use to supplement our GPS since there is no way a GPS can do all the work of an actual paper road map. Such as in trip planning or when there is construction in an area. You still need to know how to get around the detour and arrive at your destination.0 of 0 people found the following review helpful. A functional map of Puget SoundBy PartskyI wanted a map that showed the places author Kurt Hoelting went in his book THE CIRCUMFERENCE OF HOME, and this map had just the right scope and detail to do the job.
