This is a regional map and it's only good for getting from city to cityBy Gentle ReaderThis is a regional map and it's only good for getting from city to city. It will not help you much driving around Los Angeles or San Diego. Notice that Rand McNally doesn't even tell you the scale of the map - that's because it's only 1 inch = 2 1/2 miles! It should be called a Southern California map.0 of 0 people found the following review helpful. Hard to readBy DpNicely laminated, but hard to read. Fits in glove compartment, easy to open up, but lettering is small and difficult to read in a car.1 of 1 people found the following review helpful. Good map.
