Rand McNally and Company : Rand McNally New Millennium World Atlas before purchasing it in order to gauge whether or not it would be worth my time, and all praised Rand McNally New Millennium World Atlas:

0 of 0 people found the following review helpful. One Star By JeanFlint Unable to play on my computer. It was not compatible.

Offers accurate, beautifully detailed maps as well as geographic, historic, and scientific information. Features include customization tools, global find, world of records organized into four categories (physical features, populations, climate and natural disasters), compare facts module and country profiles.
