**Rand McNally : Rand McNally Portland Streets** before purchasing it in order to gage whether or not it would be worth my time, and all praised Rand McNally Portland Streets:

4 of 4 people found the following review helpful. Detailed downtown By Ingyann This is a great map if you JUST want a detailed view of downtown Portland, OR only. If you need any of the suburbs you will need another map like the Thomas guide.

The durable and convenient EasyFinder™ of Portland, Oregon will take all the wear and tear your journey can dish out. The laminated design allows you to mark your route, make notes, then wipe the surface clean for further use. This map features enhanced cartography with: Clearly indicated highways, County Boundaries, Streets, Points of Interest and National Parks.
