Rand McNally : Rand McNally's Historical Atlas of the World before purchasing it in order to gage whether or not it would be worth my time, and all praised Rand McNally's Historical Atlas of the World:

28 of 29 people found the following review helpful. Perfect for homeschoolingBy kidzoomomA must have for doing the Mystery of History curriculum. It is great for the kids to be able to look up maps and compare to current day.3 of 3 people found the following review helpful. ... a geography class that I took and what a great reference. Instead of renting this book I decided ...By Joyce B.I got this book for a geography class that I took and what a great reference. Instead of renting this book I decided to purchase it, its a great reference to refer back to, plus my kid can use this book throughout school. I recommend this book to all who does not know the world and locations.4 of 4 people found the following review helpful. Study history? You need maps?By sebofThis book is a hit with me! Easy to use. Information presented in time lines I have found useful. I prefer information supplied with the map.

The Historical Atlas of the World presents important periods and turning points in 5,000 years of world history

through 48 pages of thematic maps. Atlas features: 2011 copyright updated to include recent world events Presents major periods of world history through more than 100 bold, colorful maps Thematic maps include literacy, languages, religions, and more Includes a section on benefits of using the atlas 112 pages, paperback, 8" x 10"
