These are used to introduce compare which leads into more questions for further investigation about so many places. We are BIG into missions and we love talking about other countries and what it must be like to live there.0 of 0 people found the following review helpful. easy way to learn world factsBy Addison ThomasI like that these have just enough information to keep my child interested but not so much that it gets boring. I think these are great to help encourage interest in the world outside of our own country.1

Pretty neat flash cards.By Book LaurelsThese cards are pretty neat and good for learning continents to give a child (or anyone) a general idea of where these landmarks are located. I think it would be too expensive if you had to pay for shipping. These are a good idea as an add on for a large purchase.
