**Charlotte DuCann, Mark Watson, Charlotte Du Cann : Reality is the Bug That Bit Me in the Galapagos** before purchasing it in order to gage whether or not it would be worth my time, and all praised Reality is the Bug That Bit Me in the Galapagos:

On their travels from Mexico through Guatemala, Hounduras, Ecudaor, Bolivia and Chile to Patagonia, the authors of

this book expound their revelatory and poetic theories on the new life they find on the road and about cultures they discover. Dreaming about the end of the drugs war at the bottom of a swimming pool in Central America and learning to live without their English preconceptions, the authors provide an account of their travel experiences in Latin America.
