**Alex Robinson : Recife Northeast Brazil (Footprint Focus)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Recife Northeast Brazil (Footprint Focus):

this book contains word for word virtually the same information the author published in "Brazil Handbook, 7th (Footprint - Handbooks)" There is no need to buy both books. However I do recommend purchasing the "Brazil Handbook" as it provides much more information about Brazil. Brazil Handbook, 7th (Footprint - Handbooks).
