**National Geographic Maps - Trails Illustrated : Red Feather Lakes, Glendevey (National Geographic Trails Illustrated Map)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Red Feather Lakes, Glendevey (National Geographic Trails Illustrated Map):

0 of 0 people found the following review helpful. Great Go-to Map!By MustangAnother great go-to map in the Trails Illustrated series. I love these things. I always carry one with me when I'm hiking. Details and readability are very

good and I love the waterproof material. They're easy to unfold and refold and even custom fold for a particular area you want and then refold back to original afterward. 0 of 0 people found the following review helpful. Five Stars By Ecks National Geographic maps are great, and this is no exception 0 of 0 people found the following review helpful. I absolutely love these maps By Larry Go I absolutely love these maps. We go trail riding in the mountains and I always keep these maps with me along with the vehicle use maps. Never can have too many maps.

Waterproof Tear-Resistant Topographic Map National Geographic's Trails Illustrated map of Red Feather Lakes and Glendevy provides unmatched detail of this mountainous area in north central Colorado. Expertly researched and created in cooperation with the U.S. Forest Service, Bureau of Land Management and others, the map covers many popular points of interest including Roosevelt National Forest; Rawah Wilderness; Dowdy and Bellaire Lakes; Laramie and North Fork Cache la Poudre Rivers; and Hohnholz Lakes and Cherokee Park State Wildlife Areas. Let the map guide you off the beaten path and back again with clearly marked trails, bike routes, high clearance roads and four-wheel drive roads. To aid in your navigation of the area, the shaded relief map includes contour lines with elevations, labeled peaks and summits, water features and selected waypoints. Some of the marked recreation features are motorcycle and snowmobile trails, cross-country ski areas, fishing access points and campgrounds. Also provided are wilderness regulations, safety tips and essential contact information. Every Trails Illustrated map is printed on "Backcountry Tough" waterproof, tear-resistant paper. A full UTM grid is printed on the map to aid with GPS navigation. Other features found on this map include: Rawah Wilderness, Roosevelt National Forest. Map Scale = 1:40,680 Sheet Size = 22" x 32" Folded Size = 4" x 7.5"

About the Author Founded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking. Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.
