Reference World Atlas, 10th Edition provides unsurpassed mapping of our planet and a wealth of information on the world's 196 nations.This encyclopedic view of the globe features large-scale 3-D maps, landscape models, and at-a-

glance topic maps covering everything from land use to industry. Created using the latest digital techniques in satellite data, high-definition maps for the whole world are complemented by superb photographs and diagrams. An index of 80,000 geographical place names makes this atlas accessible and easy to use. Fully updated with the most recent changes to regions, flags, and place names, Reference World Atlas, 10th Edition sets new standards in cartographic excellence and is an essential tool for any business, home, or school.
