Vladimir M. Kotlyakov : Resources and Environment - World Atlas before purchasing it in order to gage whether or not it would be worth my time, and all praised Resources and Environment - World Atlas:

This excellent atlas contains two volumes, divided into four major sections; I: The Earth and Space; II: Evolution of the Landscape Sphere; III: Landscape Sphere - Structure and Resources; IV: Anthropogenic Factors of Landscape Sphere Changes. There are 190 thematic maps (1:6,000,000 to 1:300,000,000), many of which are fold-out maps. Each map sheet has comments on the reverse as well as graphs, tables, etc. In English with Russian titles. Size is 35 x 49 cm, clothbound with screws and slipcase.
