John Howells : Retirement on a Shoestring, 5th (Choose Retirement Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Retirement on a Shoestring, 5th (Choose Retirement Series):

1 of 1 people found the following review helpful. adjusting to living on less and be happyBy Dianna A. HuetigThe book "Retiring on a shoestring" is very helpful and insightful highly recommended. Gets down to some of the brass tacks, and lets you see the picture.8 of 8 people found the following review helpful. Sage Advice for Shoestring

RetirementBy Mark LongThis informative book contains invaluable advice on retirement options for those with cash-flow worries. Speaking to folks like me, Howells knows just what the hot buttons are, and how to address them. I found helpful information in every chapter. Howells does not waste any time getting to the heart of retirement issues for limited income folks who rarely receive any due in most publications. Not all retirees have investment income and golden parachutes! Highly recommended reading!40 of 40 people found the following review helpful. Great Overview on RetirementBy George FulmoreRetirement on a Shoestring has sections that really add to what I have read on retirement. I especially like the chapters on College Towns in retirement, RVs and Retirement, and Mobile Homes and Retirement. The book is easy to read, and it is full of great statistics, tips and insights. This is a fine book for someone contemplating retirement. It makes one feel that success in retirement is just around the corner.

Retirement can be a time to travel, volunteer, or do nothing at all. Unfortunately, not everyone has a company pension or a profitable investment portfolio to support their plans for the retirement years. For many, the main source of retirement dollars will be Social Security benefits. Retirement on a Shoestring explains how to maximize retirement income and enjoy these years in comfort. John Howells, a nationally recognized expert on retirement living, discusses up-to-date information on such topics as affordable housing, medical care, recreational and cultural opportunities, and senior services. This essential guide provides all the tools for enjoying an affordable, active, and safe retirement. Discover strategies for:
Tapping equity
Finding a retirement job
Trimming utility bills
Thriving as a single retiree
Mobile home and RV living*
Continuing education and much more

From the Back CoverRetirement can be a time to travel, to volunteer, or do nothing at all. Unfortunately not everyone has a company pension or a profitable investment portfolio to support their plans for the retirement years. For many the main source of retirement dollars will be Social Security benefits.Retirement on a Shoestring explains how to maximize your retirement income and enjoy these years in comfort.
