Arrow Publishing Company : Rhode Island Street Atlas (Official Arrow Street Atlas) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Rhode Island Street Atlas (Official Arrow Street Atlas):

After shipping my cost was around \$30. Then as I'm using the map book I'm noticing that some of the streets aren't in the book. To my surprise the book was from 1994-1995 so needless to say I'm disappointed in that purchase. Especially when nothing was said in the advertising about it being published in 1994.0 of 0 people found the following review helpful.
