We , in the USA are spoiled by excellent sineage which is lacking in Ireland. Also helpful are driving times which are valuable in planning.0 of 0 people found the following review helpful. Designed specifically for Rick's travel audience this map highlights choice destinations throughout Ireland, from the Ring of Kerry to the Antrim Coast, in a colorful, easy-to-use format on high-quality paper that lasts over many trips. Cuts the Clutter: While big cities are left for navigational purposes, this map is otherwise stripped clean and filled in only with places that matter to travelers. Guidebook-Friendly: At a glance, all the places you read about in Rick's Ireland guidebook pop right out in a crisp, easy-to-read format Rail or Road: Includes important train lines and highways (and ferry routes) for easy route-planning, no matter how you'll get around. The Back's Even Better: The reverse side includes detailed city-center mapslocating sights, hotels and restaurants from Rick's guidebook.
