Rick Steves : Rick Steves' Spanish and Portuguese Phrasebook and Dictionary (Rick Steves' Phrase Books)
before purchasing it in order to gauge whether or not it would be worth my time, and all praised Rick Steves' Spanish and Portuguese Phrasebook and Dictionary (Rick Steves' Phrase Books):

0 of 0 people found the following review helpful. I never needed to use it in Portugal. By C. Brooks
Phrasebooks are invaluable, but for my trip, I never needed to use it. I liked the idea of having only one phrasebook for the Iberian peninsula, but the Portuguese are accustomed to English tourists, so there was rarely a need to use this. Furthermore, I never went to Spain, so half of the book was never used. I was still glad to have it with me, and I would give it 5 stars if I had successfully torture-tested it. 0 of 0 people found the following review helpful. Good information
By Lori
This book was very helpful. It was slightly larger than I wanted to carry with me on vacation. Good phrases. 14 of 14 people found the following review helpful. Handy, up-to-date
By Jon R. Schlueter
This is a handy, up-to-date helper for people traveling on the Iberian peninsula. More than Northern European countries, some knowledge of the local language is necessary in Iberia. (Actually, I'm speaking only from personal knowledge of Spain; I didn't travel in Portugal.) The book is divided into sections, including "Basics", "Numbers, Time Money", "Sleeping", "Eating", "Transportation", "Sightseeing, Shopping Entertainment", "Phoning, E-mail, Post Office Red Tape", "Health", "Help" and "Chatting". The e-mail section both tells you how to get directions to a nearby internet cafe and translates operation terms that may appear on your screen. That's very handy if you want to use the internet to communicate with the folks back home or get messages from them while on your vacation. Overall, I was impressed by this phrasebook and dictionary.

This useful, funny guide will help travelers order meals in the cafes of Barcelona, and then show them how to ask their waiter "¿Qu le parece si lavo los platos?" ("What if I wash the dishes?"). From transportation talk and hotel chat to social issues and music, Rick Steves's phrase dictionary is a winner.
