From Friedwart K. Kraus : Rio De Janeiro 85 Colorfotos before purchasing it in order to gage whether or not it would be worth my time, and all praised Rio De Janeiro 85 Colorfotos:

Brazil in the 80's! This is a great photography book showing life in Rio de Janeiro in the late '80's. Text is in 5 languages Portuguese, English, French, German, and Spanish. This makes a great coffee table book or gift. Check it out!
