**Hans Donner : Rio de Janeiro (Pictorials Brazil - the "Exotics" from the Alpina)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Rio de Janeiro (Pictorials Brazil - the "Exotics" from the Alpina):

1 of 1 people found the following review helpful. Great BookBy SDTimI saw this book in the airport in Rio. I decided to order online and saved a ton. Very nice book, great photos.

This text is in 4 languages: English, German, Portuguese and Spanish. Discover the most beautiful city in the world through the eyes of the photographers Felix Richter and Martin Fiegl. The 97 pictures, most of them large format, are printed on fine art printing paper and the pages are enhanced with a special gloss coating. In seven chapters, Hans Donner, the famous and much-loved television designer, offers this very personal view of his hometown.
