National Geographic Maps : Road Atlas: Scenic Drives Edition [United States, Canada, Mexico] (National Geographic Recreation Atlas) before purchasing it in order to gage whether or not it would be worth my time, and all praised Road Atlas: Scenic Drives Edition [United States, Canada, Mexico] (National Geographic Recreation Atlas):

0 of 0 people found the following review helpful. Not all inclusive with state parks. By Jessica We bought this to update our 1998 map. Although the map is fine while using on our first trip I was disappointed that the state park campground we were going to was not included. Bought this to upgrade but...

National Geographic's Road Atlas: Scenic Drives Edition, is the ideal companion for the next time you hit the road for an unforgettable road trip. Includes up-to-date road maps for all 50 U.S. States, plus Canada, Mexico, and Puerto Rico. Major cities and metropolitan areas are shown in detail with inset maps that include popular attractions, infrastructure and points-of-interest. Setting this atlas apart from all others is the inclusion of selection of 20 carefully researched scenic drives to help you plan the road trip of a lifetime. A map and guide section is also included for the 20 most popular National Parks. Take the guesswork out of traveling and trip planning with a comprehensive index, mileage charts, and cross-referenced pages. The Road Atlas: Adventure Edition is printed in North America and it is a convenient letter-size format that fits comfortably into glove compartments or car side door pockets. Folded Size = 8" x 11"
