National Geographic Maps : Road Atlas: United States and Canada, RV Camping Edition before purchasing it in order to gage whether or not it would be worth my time, and all praised Road Atlas: United States and Canada, RV Camping Edition:

0 of 0 people found the following review helpful. Good basic map book with extras for RVing. By Sterling Allen Very useful. 4 of 4 people found the following review helpful. National Geographic Road Atlas By John M. Murray This a wonderful atlas for anyone. The attractions listed in the front are very useful for anyone looking to enjoy this beautiful country. I personally have purchased the Atlas in aticipation of a move across country, during which I intend of doind some sightseeing with my children. The list of attractions in the front of the Atlas have made planning the trip easy. I am very pleased with it. 0 of 0 people found the following review helpful. Five Stars By ronalafae thapacame on time

and love it

Our new Road Atlas - RV Camping Edition is ideal for the millions of active RV and car camping enthusiasts throughout the US and Canada. This essential guide is the most comprehensive atlas of its kind, featuring 3700 state-by-state RV park and campground listings from the National Association of RV Parks Campgrounds (ARVC). Each listing includes contact information, and each of the campgrounds is shown with a colored icon on the map. Also highlighted are 36 popular scenic drives from across the country, 22 National Park profiles, and State Park listings. Approximately 11" x 15" spiral bound with plastic protective cover 242 pages

About the Author Founded in 1915 as the Cartographic Group, the first division of the National Geographic Society, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking. Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world. All proceeds from the sale of National Geographic maps go to support the Society's non-profit mission to increase global understanding and promote conservation of our planet through exploration, research, and education.
