Celeste Baumgartner : Road Biking Ohio: A Guide To The State's Best Bike Rides (Road Biking Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Road Biking Ohio: A Guide To The State's Best Bike Rides (Road Biking Series):

1 of 1 people found the following review helpful. Great GuideBy Stephen M. SwantonI am new to Ohio, and this book

has helped me explore some roads and towns I would have never thought to explore. Routes range from very easy to somewhat challenging, being an avid cyclist. I usually manually copy the routes to my computer and export them to my gps so that I have turn by turn directions. The maps and cue sheets are easy to read and the author includes background information about the area. Most routes have very little car traffic. Definitely recommend this book to anyone who enjoys riding a road bicycle. For future editions an accompanying cd with gpx files for the routes would be a nice touch. 1 of 1 people found the following review helpful. Here is a way to see new scenery while riding ...By Elizabeth S. Jones Here is a way to see new scenery while riding your bike...and not have to go far from home. Very well done! 0 of 0 people found the following review helpful. He thought it was a good reference for anyone who wants to ride in Ohio By Periwinkle This was a gift for my boyfriend who rides the Ohio bike trails. He thought it was a good reference for anyone who wants to ride in Ohio.

Detailed descriptions and maps of forty of the best bicycle rides in Ohio, from easy afternoon jaunts to multi-day tours.

From the Back Cover Ohio and cycling are a good match, and *Road Biking Ohio* provides a personal tour of forty memorable rides that showcase the beauty and diversity of the Buckeye State from Lake Erie and the plains in the north to breathtaking hills and the Ohio River in the south. Come face to face with nature and history, whether glimpsing bald eagles, passing through covered bridges, exploring Underground Railroad sites, peddling along canals, or riding through Amish country.
