**Internationalist Staff : Road Map of France: Easy to Read Maps for Safe and Enjoyable Travel (Road Maps of the World)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Road Map of France: Easy to Read Maps for Safe and Enjoyable Travel (Road Maps of the World):

It is a clear and easy to read Road Map of France. It is a detailed road map for driving in France. An essential companion for hassle-free, enjoyable travel.

A great map for driving in France. The clear and detailed outlines of the roads and highways are easy to read and all the small towns are covered. -- Harry MonroeA terrific map that's easy to use. If you're planning to drive in France, I suggest you get a copy. -- Toni Leel've travelled extensively by car through France and this map is the most helpful one I've used. I'd recommend it to anyone! -- Robert LydeAbout the AuthorPublisher of books and maps on international travel.
