Jamie Jensen : Road Trip USA Route 66 before purchasing it in order to gage whether or not it would be worth my time, and all praised Road Trip USA Route 66:

0 of 0 people found the following review helpful. It was OK, but not the best...By HiGassIt was OK but not what I wanted. Needed more mapping in order to see where to get on and off the freeway etc. Wound up purchasing "HERE IT IS", the map series from Ghost Town Press. Found it to be much better. It has individual state maps and is done in a 'fun' style. I did combine it with "Road Trip USA" and it did help a bit.0 of 0 people found the following review helpful. Great purchase.By ExtracerI used this book for a recent trip on Rt 66 from Flagstaff AZ to Oklahoma City OK and it was very helpful...You wont see much of Rt 66 without this book...Gives you alot of little side trips that you can take just off Rt66...Great purchase...0 of 0 people found the following review helpful. Good little book.By RV GeezerThis is a good smaller book, and I'm pleased with it. It'll be a handy reference source for my brother on a trip down that route this summer.

Rediscover the Open Road!Make the most of the historic "Main Street of America" from quirky cosmopolitan Chicago and St. Louis, southwest through the deserts of New Mexico and Arizona, to sunny chic Los Angeles. Road Trip USA: Route 66 is roadside Americana at your fingertips!Inside Road Trip USA: Route 66 you'll find:Excerpted from Road Trip USAMile-by-mile highlights celebrating the best of Route 66 like The Grand Canyon, Cadillac Ranch, Tinkertown, and London Bridge, as well as the parks, diners, and the local history that makes each small town and big city uniqueDriving maps covering the entire historic route to help you do as the song says and "get your kicks on Route 66"Full-color vintage and modern photos and illustrations of America both then and now in a slim, portable guideRoadside curiosities and detours reveal the personalities of small towns and thriving cities along the routeExpert advice from road-warrior Jamie Jensen, who has zoomed along nearly 400,000 miles of highway in search of the perfect stretches of pavementRoad Trip USA: Route 66 is so full of the beauty of the American road, why wait to start your next adventure? Hit the Road!

"A book so full of the pleasures of the American road, you can smell the upholstery."BBC RadioAbout the AuthorJamie Jensen was immersed in road trip culture from an early age. He grew up in Southern California, back when freeways were new, cheeseburgers cost a quarter, and every beach had a beachfront amusement park. After a three-year stint bumming around the country, making hay in Kansas, and ghostwriting a book for the Grateful Dead, Jamie set to work researching and writing Road Trip USA. Since then he's traveled more than 400,000 miles in search of the perfect stretch of two-lane blacktop. When not crisscrossing the country by car, he rides his bike whenever possible. Jamie lives with his wife, Catherine, and twin boys, Tom and Alex, in New York City, at the east end of the Lincoln Highway.
