before purchasing it in order to gauge whether or not it would be worth my time, and all praised Robert Falcon Scott and His Expeditions to the Antarctic - A Selection of Classic Articles on the Life and Exploration of Captain Scott:

This book contains classic material dating back to the 1900s and before. The content has been carefully selected for its interest and relevance to a modern audience. Carefully selecting the best articles from our collection we have compiled a series of historical and informative publications on the subject of polar exploration. The titles in this range include "A History of Polar Aviation" "Explorers in Greenland" "The Eskimos and Arctic Life" and many more. Each publication has been professionally curated and includes all details on the original source material. This particular instalment, "Robert Falcon Scott and His Expeditions to the Antarctic" contains information on the life and exploration of Captain Scott. It is intended to illustrate aspects of Scott's life and serves as a guide for anyone wishing to obtain a general knowledge of the subject and understand the field in its historical context. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
