Shirley Cox Husted, Ruth Rosenberg-Naparsteck : Rochester Neighborhoods (NY) (Images of America) before purchasing it in order to gage whether or not it would be worth my time, and all praised Rochester Neighborhoods (NY) (Images of America):

0 of 4 people found the following review helpful. Historical Rochester By Mrs. Michelle F. Thompson The book was in great shape and was shipped in a timely manner.

Even in its early days, Rochester had multiple neighborhoods, small settlements with names such as Swillburg, Goat Hill and the Butter Bowl. Today, Rochester is a community of 128 neighborhoods, each happily pursuing a local

identity while united together with justifiable pride in their role as New York States third largest city outside of the New York City metropolis. Located in the Genesee River Valley just below Lake Ontario, Rochester is on an old Indian trail that once brought Seneca families here to hunt and fish. The milling industry began here in 1789 and, as it flourished, Rochester became known as the Flour City. By the mid-1800s, the seed industry and the widespread production of flowers, trees, and shrubs had recreated Rochester as the Flower City. Later, thanks to the Eastman Kodak Company and the Xerox Corporation, Rochester became the Picture City and the Worlds Image Centre. Rochester was a haven on the Underground Railroad between 1830 and 1860. Always an ethnic city, it became a hotbed for inventors, reformers, educators, and spiritual leaders. Its leaders were independent, sometimes outrageous, outspoken, colorful, and courageous. Many were women-foremost among them was Susan Brownell Anthony.

About the AuthorIn Rochester Neighborhoods, authors Parma Historian Shirley Cox Husted and City Historian Ruth Rosenberg-Naparsteck offer more than 200 fascinating photographs-some published here for the first time. The images and materials come from the Rochester Public Librarys Local History Division, the City of Rochester Photo Lab, the Parma Historians office and the City Historians office. Rochester Neighborhoods celebrates the growth of this bustling metropolis internationally renowned for its telecommunications industries, educational facilities, musical leadership, and culture.
