David Fasulo : Rock Climbing Connecticut (Regional Rock Climbing Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Rock Climbing Connecticut (Regional Rock Climbing Series):

0 of 0 people found the following review helpful. Decent book By TK Adequate text. Possibly a little dated but that was my choice in buying it used. Photos would have been superior to the hand drawn routes. I hope it is better than some other reviews I've seen. 0 of 0 people found the following review helpful. Five Stars By gilliganza88A must have if you climb in CT 0 of 0 people found the following review helpful. Love it By Iamgearhead If you're a climber in

Connecticut looking for new places to climb, buy this book. Great details on lots of locations.

The state of Connecticut has a long climbing history and some of the most challenging routes in the Northeast. Ragged Mountain, Pinnacle Rock, Cathole Pass, and other crags offer climbs ranging from moderate fives to tough 5.12. This comprehensive guide to Connecticut climbing covers the well-known traprock crags as well as lesser-known climbing areas. Detailed route descriptions, maps, and topos make this book the indispensable guide to rock climbing in the Nutmeg State. *This title is sold at a maximum discount of 42%.

From the Back Cover Want to go vertical? Let Rock Climbing Connecticut point you to the best ascents in the state. Scale the rock at Ragged Mountain, jam your way up the cracks at Chatfield Hollow State Park, and get pumped on the bouldering circuit at 7 Falls State Park. What Connecticut climbs lack in vertical height, they more than make up for in steep and sustained adventure. Inside you'll find information on the best climbing routes and bouldering problems at many favorite areas, along with protection information and gear recommendations that will keep you heading to the top. You'll find: detailed topos for all the major crags; descriptions of hundreds of routes; background and historical information on many of the crags; easy-to-follow driving and approach directions to climbing and bouldering destinations. (6 x 9, 192 pages, bw photos, maps)
