Stewart M. Green : Rock Climbing Europe (Regional Rock Climbing Series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised Rock Climbing Europe (Regional Rock Climbing Series):

2 of 2 people found the following review helpful. Good overview on the climbing in europe By NWAlexI used this

book for planning a European climbing trip, and it was a really good resource. However when I got to each of the places I ended up buying the crag specific guide books, lot more detail and routes that where not covered in this book. I did use this book a lot for information on places to stay / camp which was nice. Another nice bonus is that this is all in English, some of the guide books I bought on the trip where not, good for topos but I used this book for approach descriptions.0 of 0 people found the following review helpful. Our son said this is a excellent book and his AirForce climbing coach has the same ...By Eva K.Our son said this is a excellent book and his AirForce climbing coach has the same copy! He has climbed all the hardest climbs in the US so now he can try out these in Europe.4 of 4 people found the following review helpful. Great Overview and more...By D. T. O'donnellProvides a detail overview of all the best climbing spots that Europe has to offer. Usefull for the 1st time climbing visitor, with good crag maps and topos thrown in on the best areas and routes in each spot.you might want something more detailed at the crag, but provides a great overview with lots of handy detail.

This is the authoritative guide to the best climbs at the top rock climbing destinations in Western Europe, including Great Britain, France, Belgium, Spain, Italy, Switzerland, Greece, Germany, and Norway. The route topos are accompanied by route descriptions, equipment recommendations, and accurate route ratings. This sturdy edition, with sewn binding and kivar covers, is intended for rough use at the crags.Other books in the Rock Climbing series include Arizona, Boulder Canyon, Colorado, Colorado's San Luis Valley, Connecticut, Desert Rock, Flatirons, Eldorado Canyon, Joshua Tree, Lake Tahoe, Minnesota and Wisconsin, Montana, New England, New Jersey, New Mexico and Texas, Red Rocks, Rocky Mountain National Park, San Francisco Bay Area, Santa Barbara Ventura, Shelf Road, Tahquitz and Suicide Rocks, Utah, Virginia, West Virginia, and Maryland, Wasatch Range, Washington, and Yosemite's Select.
