Simon Carter : Rock Climbing in Australia before purchasing it in order to gauge whether or not it would be worth my time, and all praised Rock Climbing in Australia:

1 of 2 people found the following review helpful. Incredible climbing photography. By A Customer For me this book captures rock climbing in Australia perfectly. Simon Carter's flawless and beautiful photographs reveal rock climbing in many of Australia's premier locations, and feature unique images world class climbers. This book is equally at home on a coffee table as in the chalked-up hands of an eager climber deciding where to spend the next holiday.

Wholeheartedly recommended! 3 of 4 people found the following review helpful. Brilliant Photographic Essay By A

Customer This is the best collection of climbing photographs in one book that I have ever seen, and it's just one photographer! I never get tired of looking at this book or showing it to friends. Simon Carter has truly managed to capture the beauty of the Australian landscape and the magic of climbing in it. A book to be treasured. 3 of 4 people found the following review helpful. THE pictorial on Australian climbing By jt...the photography is brilliant, the essays interesting, and the reproduction is top notch. buy this book and you may as well buy a plane ticket to Australia, because once you've seen the cragging you won't be able to resist!
