Stuart Ruckman, Bret Ruckman : Rock Climbing the Wasatch Range (Regional Rock Climbing Series) before purchasing it in order to gage whether or not it would be worth my time, and all praised Rock Climbing the Wasatch Range (Regional Rock Climbing Series):

0 of 0 people found the following review helpful. but it is a really good guide to have if you visit the areaBy JulietaIt

probably needs an update. Mountain project offers more routes, but it is a really good guide to have if you visit the area!0 of 0 people found the following review helpful. If you climb in the wasatch front and live in ...By Jacob LakeIf you climb in the wasatch front and live in Salt Lake, you need this book. There are a few routes I have already climbed in Big Cottonwood that are not included in the book but for the most part, this guide is spot on.0 of 0 people found the following review helpful. Five StarsBy John HancockThis is a great book, with almost every climb listed.

This book compiles the results of 70 years of rock climbing in Utah's Wasatch Range, including Little Cottonwood Canyon, Big Cottonwood Canyon, Lone Peak, and other climbing locales near Salt Lake City. It features detailed topos, route descriptions, difficulty and quality ratings, and accurate location maps. Indexes by route name and rating allow quick access to over 1,500 routes described in this authoritative volume.

From the Back CoverEvery serious climber should experience Utah's Wasatch Range. Granite slabs, vertical finger cracks, overhanging off-widths, steep faces, and alpine adventures make it an unbeatable climbing destination. And the singular beauty of the Wasatch, with its deep canyons, remote alpine peaks, and miles of wilderness, attracts climbers of all creeds year after year, further cultivating the area's rich climbing history. This edition, originally published as *Rock Climbing Utah's Wasatch Range*, is the only comprehensive guide to this climbing area. Every route is shown on a detailed topo, and each route description includes a difficulty rating, a quality rating, and first-ascent information. Stuart and Bret Ruckman's attention to detail, their historical accuracy, and their personal dedication to the Wasatch Range will help make your climbing experience a truly enjoyable adventure.
