Virginia M. Wright : Route 1: Maine before purchasing it in order to gage whether or not it would be worth my time, and all praised Route 1: Maine:

3 of 3 people found the following review helpful. 527 milesBy woganThis is a small but handy book that tells the story of Rt. 1 in Maine and describes sites and places along the way. It is simple enough that younger readers can enjoy it and maybe even interest them for a trip along the way.It begins at mile 0 in the north and ends at the southern border of Maine at Kittery. There are lots of pictures, old and new. The history and story of building Rt. 1 is included as well as words and stories from people who live along the way. Sights, recreation, shopping and best views are described. It makes me want to go back up to Maine just to ride the length of this highway1 of 1 people found the following review helpful. very nice!By Genene LynottHave traveled this Route while visiting a friend who just moved to that area. Got it for her for a gift so she can explore in style.Thanks, very nice!1 of 1 people found the following review helpful. Five StarsBy yukiThis book is excellent. It has all the information you ever wanted to know about Maine.

Based on the April 2012 issue of Down East magazine, one of our best selling issues of the year, this book is the only guide you need to the ultimate Maine road trip. Meet the people and placesand hear the storiesthat make the 527 miles from Kittery to Fort Kent a unique and unforgettable experience. Plus at the back of each section get a short but sweet list of the best places to visit, stay, and eat along your way. From potato country to Down East, the Mid Coast to the

Southern Beaches, Route 1 packs in everything Maine has to offer and this book is a must-have trip companion.
