Route 66: Ghost Towns and Roadside RelicsBy IFISHAZGave as a gift to a friend who love the old highway, he loves the book to.0 of 0 people found the following review helpful. Beautiful coffee table type bookBy PlannetjanetGave as a gift for someone's 66th birthday. Beautiful coffee table type book. She loved it!0 of 0 people found the following review helpful. HE IS VERY HAPPY WITH ITBy CustomerBOUGHT FOR MY DAD. HE IS VERY HAPPY WITH IT. HE IS PLANNING A TRIP.

Originally paved in the 1920s, Route 66 has been a staple of the American Road Trip through the Great Depression and was a major method of the bootlegging operation. Spanning a total of 8 states and stretching from Chicago all the way to the Pacific Ocean, Route 66 was appropriately named the Motheroad. An icon of American Folklore, between the pages there are a slew of old gas stations, restaurants, diners, rest stops, and other attractions. Each must-see vestige is peppered with the history of the area.

About the AuthorThrough meticulous study, Bruce Wexler has gained an intimate knowledge of the Victorian crime scene and early attempts at using forensic and logical methods of detection. Applying this study to his great fondness for the Sherlock Holmes stories, he has been able to blend the two fact and fiction to bring new insight into the life and times of the great detective.Bruce Wexler's other books are The Wild, Wild West of Louis L'Amour and The Authentic South of Gone with the Wind.
