National Geographic Maps - Reference : Russia Classic [Tubed] (National Geographic Reference Map) before purchasing it in order to gage whether or not it would be worth my time, and all praised Russia Classic [Tubed] (National Geographic Reference Map):

National Geographic's political map of Russia and the independent states of the former Soviet Union is one of the most authoritative maps of region. This Classic style wall map features a bright color palette with blue oceans and the countrys terrain detailed in stunning shaded relief that has been a hallmark of National Geographic maps for over 75 years. Thousands of place names, accurate political boundaries, bodies of water, and major infrastructure networks such as roadways, airports, canals, oil pipelines, and railroads are detailed. Coastal bathymetry is shown with depth curves and soundings, and the boundaries of Northern Sea shipping routes are marked as well. Coverage also includes Norway, Sweden, Finland, Denmark, Latvia, Lithuania, Estonia, Ukraine, Belarus, Georgia, Armenia, Azerbaijan, Turkmenistan, Uzbekistan, Kazakhstan, Kyrgyzstan, Tajikistan, Afghanistan, Mongolia, North Korea, South Korea, and Japan, as well as portions of Germany, Poland, Iran, Pakistan, and China. The map is packaged in a two inch diamater clear plastic tube. The tube has a decorative label showing a thumbnail of the map with dimensions and other pertinent information. Map Scale = 1:12,376,000 Sheet Size = 30.25" x 23.5"

About the Author Founded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking. Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.
