1 of 1 people found the following review helpful. The sentence structure was so bad my wife and I laughed until we cried. By Mr. Pat The sentence structure was so bad my wife and I laughed until we cried. It must have been written with a translation book in one hand and a thesaurus in the other. Very little if any useful information. 0 of 0 people found the following review helpful. Some useful info, but glad it was free. By Missslyssa The first and third books were good with a lot of tips. A lot of them I have read before in a variety of places. The second book was strangely written. English definitely not the writers first language. I read it for a while somewhat amused but ended up skipping to the third book soon. 1 of 1 people found the following review helpful. RV Lifestyle. By Edward H. Sigmund Book one and three weren't too bad but book two was like reading electronic instructions from something that came from China
