KrukThis is not ordinary guide book as traveling in the Sahara is not ordinary. A lot of practical advices: what to take, how to prepare, what to expect, how to buy a camel, how to successfully buy your way out of the

troubles and many many others. Chapter with real life stories of traveling in the Sahara makes very interesting reading. You got a good feel of what to expect. If you even consider going to Sahara buy this book. 0 of 0 people found the following review helpful. The BOOK on Sahara Exploration Preparation By Adventurer and Explorer This is "the" guide book you will need if interested in adventure in the Sahara. Very well written with great information that will allow you to explore the Sahara in an adventurous way. Highly recommended! 2 of 2 people found the following review helpful. Every traveler should read By Donald Riggs I bought this book out of curiosity after reading an excerpt on the internet. I was totally absorbed in the book for some time after receiving it. If you have any notion of traveling in the Sahara on your own or in a guided tour you need to read this book. The amount of information boggles one's mind, especially when it's delivered in a format that doesn't bore one to tears.

The most complete survival guide for budget travelers in 34 Asian countries and the Russian republics. A whopping 452 maps, town plans, and transportation routes--all in easy-to-use formats--makes this a definitive guide for a long-haul trip around Asia. Detailed visa information is given on hard-to-enter countries and the latest news on border crossings. 16 color photos.

"A good chunky guide that gets right to the heart of desert travel."--Michael Palin "I ran across your Sahara Overland book in a bookstore in Sacramento, California and bought it without a second thought. Thank you for putting together the most useful book I've ever encountered on travelling in this part of the world."--Lawrence Beck "The essential Sahara guide."--The Sunday Times (United Kingdom) "Desert Bible."--Land Rover International "I'm not going to mince words here, this book is THE essential desert companion for anyone planning a Saharan desert trip."--Trailbike Magazine (United Kingdom)
