John Harding : Sailing's Strangest Moments: Extraordinary But True Tales from Over 900 Years of Sailing (Strangest series) before purchasing it in order to gauge whether or not it would be worth my time, and all praised

Sailing's Strangest Moments: Extraordinary But True Tales from Over 900 Years of Sailing (Strangest series):

This collection of true tales from the seven seas is packed with strange ships and sailing trips, death-defying journeys in freak weather, hair-raising encounters with pirates and sea monsters, and a bounty of high-seas oddities spanning three centuries.
