Waterproof Tear-Resistant Topographic MapNational Geographic's Trail Illustrated map of Salida, St. Elmo and Mount Shavano offers unparalleled detail for outdoor enthusiasts exploring this area in the heart of the San Isabel National Forest. Expertly researched and created in partnership with the U.S. Forest Service, the Bureau of Land Management and others, this map will guide you along the trails, up and down the peaks and across the rivers and lakes as you enjoy your adventure or recreation activity. The map features many points of interest, including North Fork Reservoir, Tabeguache Peak, Mount Princeton and the Collegiate Peaks Byway along with its many recreation areas. The map's clearly marked trails and trailheads can guide you off the beaten path and back again. Parts of the Continental Divide Trail and Colorado Trail that pass through the area are highlighted on the map as well as mountain bike routes. The map base includes contour lines and elevations for summits, passes, lakes and rivers. Some of the many recreation features noted include ski and snowmobile areas, shooting ranges, river access points and fishing areas, campgrounds and ranger stations. Every Trails Illustrated map is printed on "Backcountry Tough" waterproof, tear-resistant paper. A full UTM grid is printed on the map to aid with GPS navigation. Other features found on this map include: Gunnison National Forest, Mount Antero, Mount Princeton, Mount Shavano, San Isabel National Forest, Tabeguache Peak. Map Scale = 1:40,680 Sheet Size = 22" x 32" Folded Size = 4" x 7.5"

About the AuthorFounded in 1915 as the Cartographic Group, the first division of National Geographic, National Geographic Maps has been responsible for illustrating the world around us through the art and science of mapmaking. Today, National Geographic Maps continues this mission by creating the world's best wall maps, recreation maps, atlases, and globes which inspire people to care about and explore their world.
