### **Bonifacio Contreras : Salud: Medical Spanish Dictionary and Phrase Book (English and Spanish Edition)**

before purchasing it in order to gage whether or not it would be worth my time, and all praised Salud: Medical Spanish Dictionary and Phrase Book (English and Spanish Edition):

6 of 6 people found the following review helpful. PerfectBy MBThis book is so awesome. It has common phrases for each department. So if you work in Women services just flip to your portion or the general questions for patient history. This book is well organized and straight forward. I bought it for a class but this is one book I will keep for life.

A comprehensive guide to improving communication with Spanish speaking patients, and their families, and English speaking medical personnel, Salud is an invaluable reference tool. It provides needed information to enable effective communication that will result in more thorough patient interviews, identification of existing conditions, and, ultimately, a more comfortable relationship between healthcare provider and patient. A quick, easy-to-use reference

book, *Salud* is for medical students, nurses, doctors, hospital administrators, health care personnel, home health care workers, social workers, and translators in the health care profession. The medical dictionary and alphabetical phrase sections will make it easy to find and cross-reference the correct Spanish-English words and phrases. There are also focused care dialogues ranging from AIDS, anesthesia, and breast exam, to unconscious patient, urinary retention, and visiting hours. The materials in this book were adapted from a variety of English and Spanish language sources for the sole purpose of language enrichment and should not be construed as medical advice or instruction.

. " . a reference text to help students and practitioners in the health care and social work professions to better communicate and understand the medical and health needs of the Spanish-speaking community." From the Inside Flap An invaluable reference tool to improve communication among Spanish speaking patients, their families, and English speaking medical personnel. About the Author Bonifacio Contreras, owner and founder of Educational News Service, Inc., is a linguist and educator.
