Look forward to pouring over it in the motel on site and then using it as one of our navigation tools!0 of 0 people found the following review helpful. actually better as it also showed bus streetcar routesBy Craig ConnerDidn't use it as much as we thought we would, as the free tear-off map provided by the SF Visitor Info Center near Powell St Station was more than adequate, actually better as it also showed bus streetcar routes.1 of 1 people found the following review helpful. Does not include entire city of San FranciscoBy BlaireI bought this map to include my emergency kit. My main issue is that it focuses on touristy areas and doesn't completely cover the entire city of San Francisco.

Waterproof Tear-Resistant Travel MapNational Geographic's City Destination map of San Francisco is an invaluable tool for exploring "The City by the Bay." The front side features a street map of the eastern portion of the city from Fort Mason and Fisherman's Wharf along the bay to ATT Park in South Beach and Civic Center and Japan Town to the west. Chinatown, the Financial District, Telegraph Hill, and the South of Market (SoMa) District are among the other notable destinations in this area. An inset map provides detail of the city's districts. Points of interest, hotels, places of worship, notable buildings, parking areas, theaters, parks, and more are easy to find with the multi-language legend. Bay Area Rapid Transit (BART) and rail stations as well as cable car routes are shown. The inset map of BART routes and stations is particularly helpful for travelers wishing to travel outside San Francisco to other communities in the Bay Area.The reverse side includes a map of the entire city that includes the Presidio, Lincoln Park, Palace of Fine Arts, and Golden Gate Park. A great deal of information about San Francisco and points of interest both in the city as well as in the surrounding region is provided. Diagrams of San Francisco International Airport and Oakland International Airport will help you navigate these travel hubs quickly and efficiently. Every Destination Map is printed on durable synthetic paper, making them waterproof, tear-resistant and tough capable of withstanding the rigors of any kind of travel.Map Scale = 1:10,100Sheet Size = 17.75" x 24.75"Folded Size = 4" x 8.75"
