Sandra Gustafson : **Sandra Gustafson's Great Sleeps London** before purchasing it in order to gage whether or not it would be worth my time, and all praised Sandra Gustafson's Great Sleeps London:

0 of 0 people found the following review helpful. Helpful but Out of DateBy V. HimmellBasically, it was very helpful, but I do wish that it were a bit more current. Her personal notes are extremely helpful. However, much has changed since her publication date: WiFi availability, updates to the dcor, etc. But it is certainly a good start on the quest to find just the right place to sleep.

Sandra Gustafson's beloved travel guides (more than 350,000 copies sold in the series) are poised to find their widest popular audience with the exciting re-launch of these best-selling series titles. Joining Great Eats and Great Sleeps Paris, Sandra's guides to London and Italy have been completely revised and updated, retooled and retitled, with new maps, streamlined layout, expanded listings, and more detailed neighborhood coverage. While Sandra's eagle eye for finding the best value for the money remains the series hallmark, its renewed emphasis on the full range of travel pleasures--from the inexpensive romantic hideaway to the splurge dinner worth every penny--is sure to please longtime fans and attract a legion more. Packed with personal recommendations, each revisited or newly discovered by Sandra, the Great Eats/Sleeps series is the perfect companion for anyone in search of the out-of-the-way, unusual, fun, and true flavor of Europe.
