Sandra Gustafson : Sandra Gustafson's Great Sleeps Paris: Eleventh Edition (Cheap Eats and Sleeps) before

purchasing it in order to gauge whether or not it would be worth my time, and all praised Sandra Gustafson's Great Sleeps Paris: Eleventh Edition (Cheap Eats and Sleeps):

0 of 0 people found the following review helpful. LATEST "Cheap Eats in Paris" By John S. Sandra has done a yeoman's job on all of her "Paris Books"....I till am looking for her first book on "Cheap Eats in Paris"....but, of course, have to settle for her latest editions, since so many restauratts have closed or gone to new owners! But her books are the best!10 of 10 people found the following review helpful. A Useful and Enjoyable Book for Paris Lodging and Shopping By Chaz Paris is a challenging city when it comes to lodging. Hotels abound, but are they any good? And hotels are usually crowded, so if you don't like yours, you might be stuck. Fodor's is some help, but its reviews are short. This book spends the better part of a page on an average review, and some are longer. Prices are up to date and evaluations are accurate. The book is arranged by District, so once you know about where you'd like to be you can research in detail. I do wish, however, that she would mention hotels she didn't like that she saw, because there are many hotels one encounters while in Paris and it would be nice to know why she didn't pick the ones she didn't. A minor complaint, however. A good bonus is her inclusion of many more hotel web sites than Fodor's. And believe me, most of the decent hotels have sites with photos and info, as well as reservation capabilities. Be sure to follow her advice to use email or fax to confirm and get your confirmation in writing. She also addresses shopping and does a good job. We went to some places she like and were pleased.0 of 0 people found the following review helpful. ... this book over 20+ years and stayed at some great finds. I wish there were a more recent ...By Jazz Fan I've used 2 prior editions of this book over 20+ years and stayed at some great finds. I wish there were a more recent edition than 2007, but it is updated from the ones I've used before.

For more than 20 years, savvy travelers have trusted Sandra Gustafson for insider tips and great value abroad. Completely revised, updated and in a new portable size this beloved guide offer in-the-know advice on the best deals and most unique places to eat and stay in the City of Light. For this edition, Sandra revisited each of the recommended restaurants, and scoured the city for great new discoveries. With its lively, detailed, and personal reviews, Great Eats Paris is the antidote to the lowest-common-denominator travel advice, and the perfect companion for anyone in search of the authentic Paris.

About the Author Sandra Gustafson is a tireless world traveler and the author of 11 guidebooks. When home, she eats and sleeps in Southern California.
